## Information about this licence

This exploration licence is issued under the Mining Act 1992. The licence holder may:

- Apply for the renewal of this exploration licence; or
- Apply for the transfer of this exploration licence to another person.

Renewal applications are to be submitted within the period of two months prior up to midnight on the expiry date of the licence consistent with the *Mining Act 1992*.

The following fees are payable in connection with this licence:

- An annual rental fee; and
- An annual administrative levy.

Additional rights and responsibilities of licence holders are set out in the *Mining Act 1992* and the Mining Regulation 2016.

Please note that licence holders may also be required to obtain approvals and comply with requirements of other legislation when carrying out exploration activities, including (but not limited to):

- The Environmental Planning and Assessment Act 1979;
- The Protection of the Environment Operations Act 1997; and
- The Water Act 1912 and the Water Management Act 2000.

#### Rights of the licence holder under this licence

This licence gives the licence holder an exclusive right to prospect for the mineral(s) or group(s) of minerals on the land to which this licence relates.

#### Restrictions on the exercise of rights under this licence

It is the responsibility of the licence holder to apprise themselves of the restrictions on the exercise of rights under this licence that exist under NSW and Commonwealth legislation.

## **Exploration Area (Schedule 1)**

The land to which this licence applies is set out at Schedule 1 of this licence.

#### Licence Conditions (Schedules 2 and 3)

This licence is subject to the conditions in Schedule 2 and Schedule 3. The licence holder must conduct prospecting operations in accordance with these conditions, as well as any conditions imposed by the *Mining Act 1992* and Mining Regulation 2016. In particular:

- The conditions set out in Schedule 2 are general conditions; and
- The conditions (if any) set out in Schedule 3 are special conditions.

Contravention of licence conditions is an offence under the Mining Act 1992.

### Further Approvals under this licence (Schedule 4)

The licence holder may need to obtain further approvals or Ministerial consent before carrying out prospecting operations on the land subject to this licence (see in particular the activity approval requirements for assessable prospecting operations section 23A of the *Mining Act 1992*, which requires an activity approval to be obtained prior to commencing any assessable prospecting operation).

## Work Program (Schedule 5)

Condition 1 of Schedule 2 of this licence requires the licence holder to comply with the Work Program. The Work Program unique identifier is set out at Schedule 5 of this licence. The Work Program may be amended on application of the licence holder, with the approval of the Minister.

- 9. If the licence holder is a corporation, the Secretary must be notified within 30 days of any:
  - (a) Change in effective control of the licence holder; or
  - (b) Foreign acquisition of substantial control in the licence holder.

Notification is not required where a change in effective control of the licence holder, or a foreign acquisition of substantial control of the licence holder, occurs as a result of the acquisition of shares or other securities on a registered stock exchange.

#### SPECIAL CONDITIONS

#### **Financial Contributions**

10. Subject to ongoing tenure of this licence, on future grant of a mining lease(s) over the licence area, the licence holder is required to pay the Government the agreed financial contributions in accordance with the *Guidelines for exploration licence applications for operational allocation purposes* (Department of Regional NSW, dated November 2017).

#### **Recovery of Public Money**

- (a) On grant of this licence, the licence holder is required to pay the Government for the refund of public expenditure previously incurred by the Government for exploration and evaluation within and outside the licence area in the amount of \$140,000.
  - (b) Any future mining lease or leases granted over the licence area will be subject to a condition requiring the payment of any unpaid public money expended on exploration and evaluation within and outside the mining lease area.

#### **Cooperation Agreement**

12. The licence holder must make every reasonable attempt, and be able to demonstrate its attempts to the satisfaction of the Secretary, to enter into a cooperation agreement with the holder(s) of any overlapping authorisations issued under the *Mining Act 1992* and petroleum titles issued under the *Petroleum (Onshore) Act 1992*. The cooperation agreement should address, but not be limited to:

- access arrangements
- operational interaction procedures
- dispute resolution
- information exchange
- well location
- timing of drilling
- potential resource extraction conflicts
- rehabilitation issues.

#### FURTHER APPROVALS

Further approvals and consents may be granted after the commencement of this licence.

The licence holder is required to comply with all approvals and consents which have been granted after commencement of this licence.
