

Information about a water licence or approval

Use this tool to search for information about water licences and approvals issued under the *Water Act 1912* or *Water Management Act 2000*.

Select the type of licence or approval and enter the licence or approval number:

- **Water access licence (WAL):** a WAL number starts with the letters 'WAL' followed by several numbers; a WAL also has a reference number that starts with a two digit number, followed by 'AL' and then several numbers.
- **1912 water licence:** a water licence number starts with a two digit number, followed by a two letter code and then several numbers. Note: a PT reference number cannot be entered.
- **Approval:** an approval number starts with a two digit number, followed by a two letter code (WA, UA, CA or FW) and then several numbers.

Search for information about either a:

Water access licence (WAL) issued under the *Water Management Act 2000*

Water Access Licence (WAL) Number

A WAL number starts with the letters 'WAL' followed by several numbers

Can't find your WAL number? Do you have a reference number? A reference number starts with a two digit number, followed by 'AL' and then several numbers. Use the following tool to find your WAL by entering your reference number. [Enter the reference number to find the WAL number.](#)

Notes:

The search results will list the conditions imposed on the water access licence. Any approved water supply work/s nominated on the water access licence are identified by the approval number/s for the work/s.

The information about a water access licence provided in the search results is a summary and may not always be up to date. If you require full and up to date details about a particular water access licence (including current holders, share and extraction component details, encumbrances and notations) you should search the [Water Access Licence Register](#) administered by Land and Property Information.

Take of water

MW0716-00001 The maximum volume of water that may be taken under this licence in any water year must not exceed a volume equal to:
(A) the sum of water allocations accrued to the water allocation account for this licence from available water determinations in that year; plus
(B) the water allocations carried over from the water year prior to that water year; plus
(C) the net amount of any water allocations assigned to or from the water allocation account for this licence under section 71T of the Act; plus
(D) any water allocations re-credited to the water allocation account for this licence in accordance with section 76 of the Act in that water year.

MW0631-00001 Water must not be taken under this access licence otherwise than in compliance with the conditions of the nominated water supply work approval.

Monitoring and recording

MW0635-00001 The licence holder must record the following in the logbook:

(vii) the volume of water taken in any water year from 1 July 2011, by comparison to the maximum volume of water permitted to be taken in that water year.

MW0639-00001	When directed by the Minister by notice in writing, the licence holder of an access licence that nominates only a metered water supply work with a data logger must keep a logbook in accordance with any requirements that are specified in the notice.
MW0633-00001	The licence holder must record the following in the logbook: (i) each date and period of time during which water is taken under this licence; (ii) the volume of water taken on that date; (iii) the water supply work approval number of the water supply work used to take the water on that date; (iv) the purpose or purposes for which the water taken on that date.
MW0636-00001	The licence holder must produce the logbook to the Minister for inspection, when requested.
MW0632-00001	The licence holder must keep a log book, except where the access licence nominates only a metered work with a data logger. A "logbook" means a written record, kept in hard copy or electronic form, which accurately records all information required to be kept for this licence.
MW0637-00001	The licence holder must retain the information required to be recorded in the logbook for 5 years from the date to which that information relates.
	Reporting
MW0831-00001	The licence holder must notify the Minister, in writing, immediately upon becoming aware of a breach of any condition of this licence. Note: a notification does not authorise a breach, or continuing breach, of a condition of this licence.
	Additional conditions
MW0717-00001	The maximum water allocation that may be carried over in the water allocation account for this access licence from one water year to the next is either: (A) 25 % of the access licence share component for access licences with share components expressed as ML/year; or (B) 0.25 ML per unit share of access licence share component for access licences with share components expressed as a number of unit shares.

Other Conditions

NIL
