Approved action

Person to whom the approval is granted	Whitehaven Coal Limited ACN 124 425 396
--	--

Approved action	To extend existing open cut mining operations and associated infrastructure at the Werris Creek Coal Mine, near Werris Creek New South Wales [see EPBC Act Referral 2010/5571].
-----------------	---

Variation

Variation of conditions of approval	The variation is: Delete condition 1 attached to the approval dated 21 December 2011 and substitute the condition specified below.
-------------------------------------	---

Date of effect	This variation has effect on the date the instrument is signed.
----------------	---

Person authorised to make decision

name and position	Monica Collins Assistant Secretary Compliance & Enforcement Branch
-------------------	--

Signature

Date of decision

19 Dec 2016

Condition attached to the approval

1. To offset the impact to the White Box-Yellow Box-Blakely's Red Gum Grassy Woodland and Derived Native Grassland Ecological Community and foraging habitat of the Regent Honeyeater and Swift Parrot the person taking the action must register a legally binding conservation mechanism over the Werris Creek Life of mine (LOM) Extension Project Biodiversity Offset Strategy (BOS) sites identified in the map at Appendix 1 and an additional area of at least 74 hectares of White Box-Yellow Box-Blakely's Red Gum Grassy Woodland and Derived Native Grassland Ecological Community (together, the Offset Areas). The mechanism/s must provide enduring protection for the Offset Areas and unless otherwise agreed to in writing by the **Minister** must be registered by 21 December 2017.

Written notification of registration must be provided to the **department** within 2 weeks of registration of the Offset Areas.
